Dear Cllr Elizabeth Campbell

A Leaseholder’s Declaration re: The Buildings and Land of Silchester Estate

In this declaration references to 'legal estate' are references to my 'lease/property'.

In this declaration references to 'tenancy' are references to the 'terms of my leasehold tenancy'.

Re. the Royal Borough of Kensington & Chelsea’s decision to explore the redevelopment options for the Silchester Estate.

I thank you for your newsletters, presentations and so-called ‘consultation’. I understand that these actions are not legal notices and I wish to state that my tenancy is not a matter for a consensus of opinion. These actions did not and/or do not constitute a formal agreement to surrender or vary my tenancy.

I therefore make this unequivocal declaration:

I did not and/or do not intend to engage in any actions that imply and/or deem me to surrender and/or agree to a variation or any change in the terms of my tenancy.

I implore you to stop any further expensive actions that may imply and/or deem me to agree to surrender or vary the terms of my tenancy.

Furthermore:

I believe that in the protection of my Legal Estate the so-called ‘consultation’ to be against my best interest. I implore you to stop actions that imply and/or deem me to agree to vary the terms of my tenancy.

Yours sincerely

Leaseholder
